ABOUT

I am a detail-oriented, flexible, and dedicated worker who developed web applications utilizing user-friendly visuals and features. I also have volunteer experience as a Creatives Volunteer for Mapúa Malayan Colleges Laguna College of Computer Science Student Council, Creatives Director for Mapúa Malayan Colleges Laguna Supreme Student Council, and an Art Director for Mapúa MCL Cup 2024, which shaped my ability to incorporate creativity to solve technical problems, deliver outputs in a fast-paced environment, and collaborate with diverse people.

EXPERIENCE

FRONT-END DEVELOPMENT INTERN

Prosperna

April 2024-July 2024

- Developed a feature (Product Image Labels) for the merchant web platform.
- Conducted support tasks that involves User Interface (UI) enhancements in the merchant web platform.
- Developed custom and dynamic websites for potential clients using the Prosperna Page Builder.

WEB DEVELOPER AND USER-INTERFACE DESIGNER

e-ganapp - A Seamless Event Management System for Mapúa MCL (Thesis Project)

September 2023-Present

- Consulted with Mapúa MCL student organization heads and the Center for Student Activities and Discipline head to identify user needs regarding event management.
- Designed the entire web application for organizers, attendees, and admins.
- Developed the front-end for the organizer and attendee web platform.
- Aided event attendees in using the app during the "Technopreneurship: A Journey in Building Your Own Tech Startup" Seminar 2024.

ART DIRECTOR
